Applicants respectfully request that the holding of abandonment on U.S. Application No. 10/089,700 be withdrawn.

In response to a telephone conference with Erin Pender on Tuesday, August 12, 2003, Applicants assert that the Office Communication or Action, which was a Notification of Missing Requirements, was not received. Also, Applicants note that in the previous Petitions Under 1.181(A) Applicants refer to the Office Communication as the Notice to File Missing Parts, which Applicants should have referred to the Office Communication as being the Notification of Missing Requirements. Thus, as stated previously upon review of the docket record, Applicants assert that the Notification of Missing Requirements is not indicated on the docketing records, nor are any actions related to the Notification of Missing Requirements indicated in the docketing records. Thus, since the Office Communication of Notification of Missing Requirements was not received and docketed, Applicants were unaware of a deadline in which to file the missing requirements.

Applicants respectfully request that the holding of abandonment be withdrawn in view of the above comments and enclosures. An action on the merits of all the claims and a
